

Energy

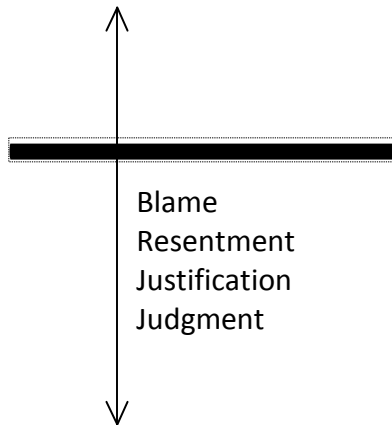

The more we take responsibility for the energy we bring to the world, the more empowered and productive we become. The more we blame others on external circumstances the more negative and compromised our energy is likely to be.

Jim Lower, Tony Schwartz
 —Power of Full Engagement—

The Fulcrum Point of Change

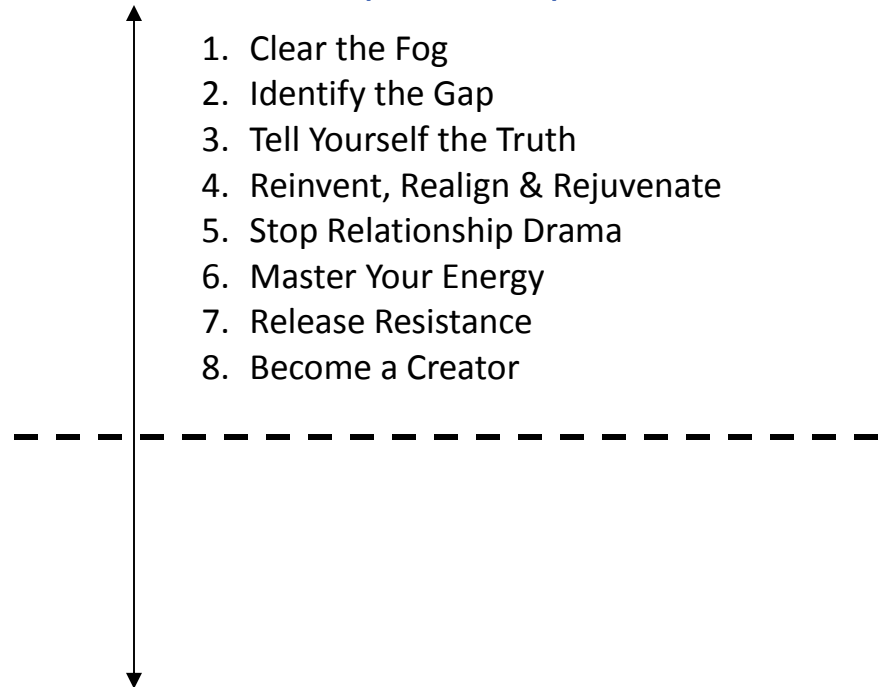

Emotional intelligence

Responsibility is the recognition of choice.
 —Marlene Chism—

The 8 Steps of Empowerment

The Island

The one with clarity navigates the ship.

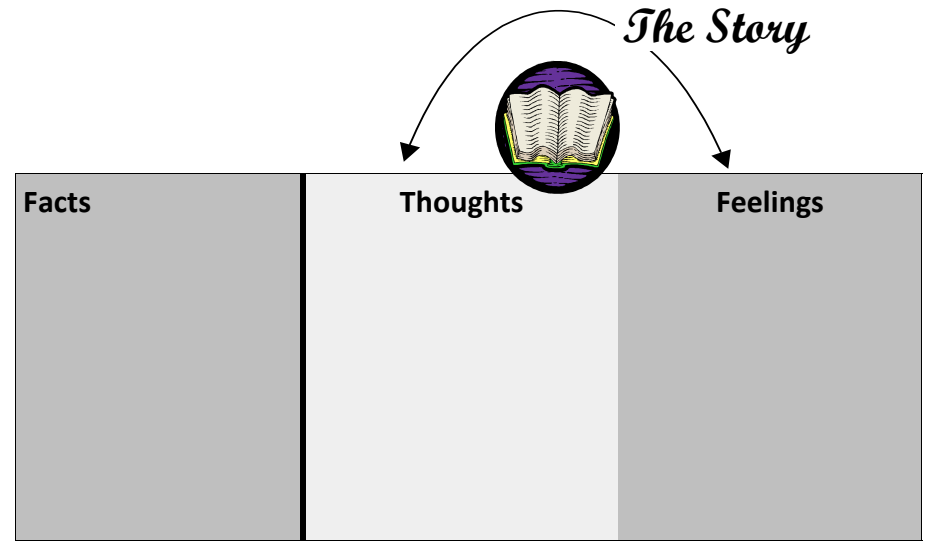

Drama

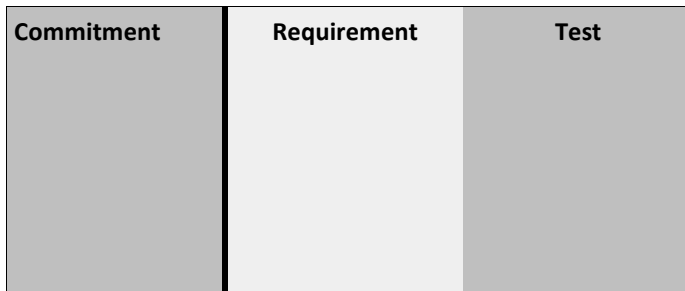

Drama: Any obstacle to your peace or prosperity.

Fact Versus Feeling

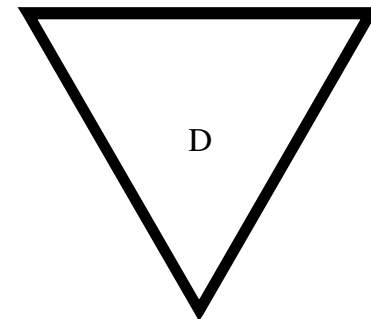

Knowing Your feelings won't change the facts, but knowing the facts can change your feelings.

The Gap Test

The Karpman Drama Triangle
